

Roar-some time at Lake

TEN teams will take to the water this weekend for a fun-filled family day out and to raise money for charity.

The teams will be competing at the Manvers Charity Shield Dragon Boat Race at Manvers Lake on Saturday, September 7.

Racing will commence at 10am and will finish in the early afternoon.

Each team will take part in timed heats, with a minimum of three races each, with the fastest progressing to a semi-final and then the final.

The day will end with a presentation to the top three teams.

The teams in first, second and third place will all receive medals and trophies to keep, and the winners will also have their name engraved on the Manvers Lake Charity Shield, which will be displayed on site.

The winning team will also receive £400 donation to their chosen

"We know how to put on a spectacular event, with qualified helms to steer the boat, safety cover and a team of experts to help you bank side.

"We encourage teams to make the most of the day and join in our activities or host their own stalls so come along and join in the fun-filled frantic frolics of dragon boating!"
